## GET READY IN 5 SIMPLE STEPS

### 1. Know your risk

Think about the area you live in and the types of disasters that could affect you.

### 2. Plan now for what you will do

Sit down and talk with your family and plan for what you will do if a disaster affects your area.

### 3. Get your home ready

Prepare your home by doing general home maintenance and checking your insurance.

### 4. Be aware

Find out how to prepare and what to do if there is a disaster in your area.

### 5. Look out for each other

Share information with your family, friends, neighbours and those who may need assistance.
