

**Bureau of Meteorology [1]**

[HTTP://WWW.CAWCR.GOV.AU/ \[2\]](http://www.cawcr.gov.au/)

The Centre for Australian Weather and Climate Research is a partnership between Australia's leading atmospheric and oceanographic research agencies: the Bureau of Meteorology and CSIRO. The Centre was established by CSIRO and the Bureau of Meteorology in 2007 to ensure that Australia remains a world leader in climate, weather and oceans research so that it can meet the severe weather and climatic challenges that continue to confront the nation.
