

Conservation, Cows, Culture and Carbon:
What's next for NAFM?

- South West WA – history, forests, population, risk, staff, policies
- Boorabbin – rangeland bushfire, highway opening, truck drivers killed
- Kennedy Ranges – rangeland goat culling, aircraft collision, staff killed
- Margaret River – prescribed burn, 38 houses destroyed, ISO31000
- Black Cat Creek – bushfire, staff killed, others seriously injured
- Numerous other major bushfires, burn escapes, aviation incidents, near misses, inquiries, reviews, assurance program, audits etc.
